

About ERAU

Leading the World in Aviation and Aerospace Education

erau.edu (<https://erau.edu/>)

Embry-Riddle Aeronautical University is the world's premier institution for aviation and aerospace higher education. Embry-Riddle operates growing residential campuses in **Daytona Beach, Florida**, and **Prescott, Arizona**, along with an **Asia Campus** that is part of the university's **Worldwide Campus** network, which delivers online and in-person instruction at more than 100 locations (<https://erau.edu/about/locations>) globally. Across all campuses, Embry-Riddle prepares graduates to succeed in diverse fields such as engineering, business, space studies, cybersecurity, and beyond.

To learn more about the university's mission, history, leadership and global impact, visit the Embry-Riddle About Us (<https://erau.edu/about>) page.

University Catalog Disclaimer

This catalog is designed for use during the academic year listed on the cover. It provides a general description of Embry-Riddle Aeronautical University and details regarding departments and curricula offered. The online edition is the official version and reflects any addendums or corrections. The provisions of the catalog do not constitute a contract between the student and the University.

Embry-Riddle reserves the right to change, without prior notice, any policy, provision, offering or requirement. The University also reserves the right to adjust tuition and fees as necessary and to require a student to withdraw for cause.

Catalog Effective Dates

This catalog becomes effective August 1, 2026, for all Embry-Riddle Aeronautical University campuses.

Nondiscrimination Policy

Embry-Riddle Aeronautical University does not discriminate on the basis of race, color, national origin, sex, sexual orientation, disability, veteran status, predisposing genetic characteristic, age, religion or

pregnancy status in its educational programs, admissions policies, financial aid, employment or other school-administered programs. Please see the university's Nondiscrimination and Title IX policies for additional information at: <https://erau.edu/leadership/title-ix>.

Official University Photography

Embry-Riddle Aeronautical University reserves the right to photograph members of the University community, including, but not limited to, its students and faculty, in situations appropriate to the image of the academic institution, and to publish likenesses in Embry-Riddle Aeronautical University publications, videos, or other recruitment or promotional materials. However, the University will, to the extent feasible, honor requests of constituents who do not wish their images to be photographed or published.
