

Current High School Students

Worldwide Campus

In addition to the previously stated requirements, current high school students must demonstrate a minimum 2.5 unweighted high school GPA on a 4.0 scale for non-technical programs and a 3.0 unweighted high school GPA on a 4.0 scale for technical programs.

NOTE: *Current high school students admitted to the Worldwide Campus will be permitted to enroll in coursework no sooner than the July term of their graduation year. An official, final high school transcript with all grades posted demonstrating continued academic progress and graduation must be submitted to Embry-Riddle within the first term of enrollment. ERAU Worldwide Campus students located in the state of California are required to submit an official, final high school transcript prior to enrolling in coursework.*
