

College of Business

Dr. Maneesh Sharma, Dean

The College of Business strives to be the premier global educator of leaders and managers in aviation and aerospace. The mission of the College of Business is to prepare our students to become global leaders by providing education that is rooted in critical thinking, analysis, and problem-solving. Our vision is to become a leading destination institution for providing innovative, market ready and highly accessible business education for the broader aviation industry.

For Faculty lists and other information, view the College of Business (<https://erau.edu/academics/colleges/worldwide-college-of-business>) website.
