## Specified Electives

Choose any 2 courses (courses from General Education may count toward a Minor but not toward Specified Electives) 6

HSI 290 Introduction to Environmental Security

Any upper level CYB course not otherwise being used toward your degree (must meet prerequisites)

Any upper level HSI course not otherwise being used toward your degree (must meet prerequisites)

Any of the specified GCS courses not otherwise being used toward your degree (must meet prerequisites)

**Total Credits** 6

\* Students with a 2.5 CGPA or higher may enroll in the internship program at the equivalent of three or more credits to be taken during or after their sophomore year. Students must see their professional advisor and meet with the Career Services Office to be enrolled in and receive academic credits for their internship. Students unable to take CEHS 396 may substitute HSI 491 (Thesis) with prior approval of HSI Program Coordinator.

## Breadth Area

All Homeland Security and Intelligence majors must complete coursework to complement the HSI core courses. Students are strongly encouraged to complete their breadth requirement by a minor (minimum of 15 credits) or a "coherent block of credits" (minimum of 15 credits), determined with the consent of the Homeland Security and Intelligence Program Coordinator. All minors are located in this catalog's Minor Course of Studies section.

One Minor or One Coherent Block 15

Courses from General Education may count toward a Minor but not toward Specified Electives.

## Program Support

AS 319	UAS Law	3
GEO 210	Introduction to Geographic Information Systems	3
MA 210	Introduction to Data Science	3
UNIV 101	College Success	1

**Total Credits** 10

**Total Degree Credits** 125
