

Undergraduate Regulations and Procedures

Please see Academic Regulations for policies applicable to all students. Additional policies related to Undergraduate students can be reviewed on this page. All Embry-Riddle students are responsible for knowing all academic regulations and procedures required for continued attendance at the University. A student who requires clarification of any policy or regulation should seek help from their academic advisor, program coordinator, or the Office of the Registrar. University regulations will not be waived because a student pleads ignorance of established policies and procedures.
