

Embry-Riddle Aeronautical University Catalog

Welcome to the Embry-Riddle Aeronautical University Academic Catalog. As you explore programs of study, use the menu to navigate degree requirements, course descriptions, policies, and resources.

Though you are bound to the campus catalog requirements of your program entry year, you may still wish to refer to the current catalog to track your progress.

The **2026-2027** catalog is effective August 1, 2026, for all campuses.

View the campus catalog archives (<https://catalog.erau.edu/archives/>) of previous years.
