Wildlife Science

Uncrewed Aircraft Systems  
Wildlife Science

\*\*\*Please view all minors for additional restrictions.\*\*\*

Major	Minors not eligible for this Major
Aeronautical Science	Aeronautical Studies
Aeronautical Science - Fixed Wing	Flight- Fixed Wing
Aerospace Engineering	Aerospace Engineering, Engineering Science
Aerospace Engineering - Aeronautics Option	Aeronautics
Aerospace Engineering - Astronautics Option	Astronautics
Air Traffic Management	Air Traffic Control
Applied Meteorology	Applied Meteorology
Astronomy	Space Physics
Aviation Business Administration	Aviation Business Administration, Business Administration
Aviation Business Administration - Finance AOC	Finance
Business Administration	Business Administration
Business Administration - Accounting AOC	Accounting
Business Administration - Finance AOC	Finance
Computer Engineering	Computer Science, Electrical Engineering
Cyber Intelligence and Security	Computer Science, Computer Security, Cyber Intelligence and Security
Electrical Engineering	Electrical Engineering
Forensic Accounting and Fraud Examination	Accounting, Business Administration, Forensic Accounting and Fraud Examination
Forensic Biology	Forensic Biology
Forensic Psychology	Psychology
Global Business	Business Administration, Global Business
Global Business - Aviation and Aerospace	Aviation Business Administration
Global Business and Supply Chain Management	Business Administration, Global Business and Supply Chain Management
Global Security and Intelligence Studies	Security and Intelligence Studies
Global Security and Intelligence Studies - Chinese Track	Security and Intelligence Studies, Mandarin Chinese
Global Security and Intelligence Studies (CLAS Track)	Security and Intelligence Studies, Mandarin Chinese
Global Security and Intelligence Studies (General Track) - China and East Asia	Security and Intelligence Studies, Mandarin Chinese
Global Security and Intelligence Studies (General Track) - Latin America	Security and Intelligence Studies, Spanish
Global Security and Intelligence Studies (General Track) - Middle East	Security and Intelligence Studies, Arabic and Middle Eastern Studies
Global Security and Intelligence Studies (GSS Track) - China and East Asia	Security and Intelligence Studies, Mandarin Chinese
Global Security and Intelligence Studies (GSS Track) - Latin America	Security and Intelligence Studies, Spanish
Global Security and Intelligence Studies (GSS Track) - Middle East	Security and Intelligence Studies, Arabic and Middle Eastern Studies
Global Security and Intelligence Studies (IS Track) - China and East Asia	Security and Intelligence Studies, Mandarin Chinese
Global Security and Intelligence Studies (IS Track) - Latin America	Security and Intelligence Studies, Spanish
Global Security and Intelligence Studies (IS Track) - Middle East	Security and Intelligence Studies, Arabic and Middle Eastern Studies
Global Security and Intelligence Studies - Cyber AOC	Cyber Intelligence and Security
Global Security and Intelligence Studies - Economics Analysis AOC	Economics
Global Security and Intelligence Studies - Leadership Analysis AOC	Psychology
Global Security and Intelligence Studies - Political, Diplomatic, and Military Analysis AOC	Diplomatic and Military History
Global Security and Intelligence Studies - Transnational Crime AOC	Security and Intelligence Studies
Human Factors Psychology	Human Factors Psychology, Psychology
Industrial/Organizational Psychology	Human Factors Psychology, Psychology
Mechanical Engineering	Engineering Science, Mechanical Engineering
Mechanical Engineering - Energy Option	Alternative Energy
Mechanical Engineering - Propulsion Option	Propulsion
Mechanical Engineering - Robotics Option	Robotics
Software Engineering	Computer Science, Computer Security, Electrical Engineering - Digital Option
Space Physics	Space Physics
