

B.S. in Forensic Accounting and Fraud Examination

The Bachelor of Science in Forensic Accounting and Fraud Examination program is designed to prepare students for the Certified Fraud Examiner (CFE) exam and certification. This degree program reflects the importance of the ever-growing field of economic and financial crime investigation of business, government, and the not-for-profit sectors. The curriculum is focused on accounting and designed to provide graduates with the knowledge and skills essential to their successful entry into the accounting world or to specialize in the fraud examination area if they choose. Emphasis is placed on accounting, investigation skills, effective communications, quantitative skills, social responsibility, information technology, critical thinking skills, teamwork, business functional skills, digital forensics, cybersecurity, and commitment to lifelong learning.
