Student Grievance Procedure

It is the policy of Embry-Riddle to administer its educational programs in a fair, equitable, academically sound manner and in accordance with the appropriate regulations and criteria of its governing board, accrediting associations, and federal and state laws and regulations. To this end, students are provided an opportunity to express any complaint, grievance, or dispute that, upon investigation, may be remedied. Further information on the appropriate handling of a grievance is located under the Student Rights and Responsibilities (/prescott/student-life/dean/student-rights/) section of the catalog.

Appeals concerning previously assigned grades are specifically addressed through the academic administrative chain, beginning with the course instructor (see Grade Appeal Process above).
