

M.S. in Aviation and M.S. in Safety Science

Daytona Beach and Prescott Program Requirements

For exceptional students enrolled in the Daytona Beach Master of Science in Aviation program, the College of Aviation offers the opportunity to simultaneously pursue a Master of Science in Safety Science with the Prescott Campus.

With this option, the student will take a total of 33 credits to obtain the M.S. in Aviation (MSAV) and an additional 24 credits to obtain the M.S. in Safety Science (MSSFS) degree. Nine (9) credits from the MSAV degree will count towards the MSSFS total requirement of 33 credits.

Bridge Courses

ASCI 604	Human Factors in the Aviation/Aerospace Industry	3
or MSAV 554	Project Management in Aviation/Aerospace	
MSAV 662	Statistical Analysis for Aviation/Aerospace	3
MSAV 670	Research Methods in Aviation/Aerospace	3
or MSAV 691	Capstone Research Project	

Admission Requirements

Graduate students must declare intent at or before completing 15 credits in MSAV. Graduate students must have a minimum GPA of 3.0 to be admitted. Students will be dropped from the program if their GPA falls below 3.0.
