

B.S. in Business Administration

The Bachelor of Science in Business Administration students study core business principles alongside aviation and aerospace peers while learning from experienced faculty and engaging with industry resources and student organizations.

At the **Daytona Beach Campus**, the Business Administration program is offered through the David B. O'Maley College of Business. Students select from three majors: Accounting and Finance, 21 credit hours; Management, 21 credit hours; and Marketing, 21 credit hours. A combined program allows qualified students to begin graduate coursework in any of the college's master's programs while completing their undergraduate degree in Business Administration. The Business Administration program with concentrations in Management, Marketing, Accounting, and Finance is accredited by the Accreditation Council for Business Schools and Programs (ACBSP).

At the **Prescott Campus**, the Bachelor of Science in Business Administration is offered through the School of Business in the College of Business, Security and Intelligence. The program maintains connections with the Arizona Business Aviation Association (AZBAA), providing access to internships, mentorships, and employment opportunities with aviation and business organizations. The Business Administration program is accredited by the Accreditation Council for Business Schools and Programs (ACBSP).
