

Minor in Forensic Accounting & Fraud Examination

The Forensic Accounting & Fraud Examination minor provides students with knowledge of financial investigation and fraud detection. Students examine financial transactions, conduct fraud investigations and study methods used to conceal assets in illegal operations. The curriculum aligns with content areas associated with the Certified Fraud Examiner (CFE) examination, preparing students for eligibility to sit for the exam upon completion of their undergraduate degree.

Some majors may not be eligible to pair with this minor. See the Minor Restrictions (<https://catalog.erau.edu/programs/undergraduate/minors/restrictions/>) list for details.
