

Minor in Global Conflict Studies

The Minor in Global Conflict Studies offers students a variety of courses that use a multi-disciplinary approach to provide an understanding of the root causes of human conflict, the theory behind the management of conflict, the major global security challenges of the day, and a foundation in the methodology, technology, and political processes that attempt to prevent or resolve conflicts.

Some majors may not be eligible to pair with this minor. See the Minor Restrictions (<https://catalog.erau.edu/programs/undergraduate/minors/restrictions/>) list for details.
