

Minor Restrictions

Daytona Beach

Please view all minors for additional restrictions.

Major	Minors not eligible for this Major
Aeronautical Science	Aeronautical Studies, Flight, Flight Test and Simulation
Aviation and Aerospace Safety	Aviation Safety
Aerospace Physiology	Bioastronautics, Biomedical Sciences
Air Traffic Management	Air Traffic Control
Astronomy and Astrophysics	Astronomy, Astrophysics, Physics
Aviation Business Administration	Air Transportation, Business Administration, Finance, Marketing
Aviation Business Administration - Supply Chain subplan	Air Transportation, Business Administration, Finance, Marketing, Supply Chain
Aviation Maintenance Science	Airframe, Powerplant
Business Administration	Air Transportation, Business Administration, Finance, Marketing
Communication	Communication and Broadcast Media
Computational Mathematics	Applied Mathematics, Computational Mathematics
Computer Engineering	Computer Science, Electrical and Computer Engineering
Computer Science	Computer Science
Computer Science - Cybersecurity Engineering AOC	Cybersecurity Engineering
Electrical Engineering	Electrical and Computer Engineering
Engineering Physics	Physics
Global Conflict Studies	Global Conflict Studies, International History
Human Factors Psychology	Human Factors, Psychology
Intelligence and Homeland Security	Homeland Security, Intelligence
Mechanical Engineering - Robotics and Autonomous Systems track	Robotic Systems
Mechanical Engineering - Biomedical Systems track	Biomedical Engineering
Meteorology	Applied Meteorology
Software Engineering	Computer Science
Space Operations	Space Operations
Space Physics	Physics
Systems Engineering	Systems Engineering
Uncrewed and Autonomous Systems	Uncrewed and Autonomous Systems

Prescott

Please view all minors for additional restrictions.

Major	Minors not eligible for this Major
Aeronautical Science	Aeronautical Studies, Flight
Aerospace Engineering	Aerospace Engineering, Engineering Fundamentals
Aerospace Engineering - Aeronautics Option	Aeronautics
Aerospace Engineering - Astronautics Option	Astronautics
Air Traffic Management	Air Traffic Control
Applied Meteorology	Applied Meteorology
Astronomy	Space Physics
Aviation Business Administration	Business Administration
Aviation Psychology	Human Factors, Psychology
Business Administration	Business Administration
Computer Engineering	Computer Science, Electrical and Computer Engineering
Cyber Intelligence and Security	Computer Science, Cyber Intelligence and Security
Data Science	Data Science
Electrical Engineering	Electrical and Computer Engineering
Forensic Accounting and Fraud Examination	Business Administration, Forensic Accounting and Fraud Examination
Forensic Biology	Forensic Biology
Forensic Psychology	Psychology
Global Business and Supply Chain Management	Business Administration, Supply Chain Management
Human Factors Psychology	Human Factors, Psychology

Mechanical Engineering	Engineering Fundamentals, Mechanical Engineering
Mechanical Engineering - Energy Systems AOC	Alternative Energy
Mechanical Engineering - Propulsion Systems AOC	Propulsion
Mechanical Engineering - Robotics AOC	Robotics
Software Engineering	Computer Science, Electrical and Computer Engineering
Space Physics	Space Physics
Uncrewed and Autonomous Systems	Uncrewed and Autonomous Systems

Worldwide & Online

Please view all minors for additional restrictions.

Major	Minors not eligible for this Major
Airport Baggage Handling Systems Implementation - Undergraduate Certificate	Airport Baggage Handling Systems Implementation
Artificial Intelligence, Ethics, and Creativity - Undergraduate Certificate	Artificial Intelligence, Ethics, and Creativity
Aviation Business Administration	Aviation Management, Management
Aviation Maintenance - Aviation Safety Specialization	Aviation Maintenance Operations, Aviation Safety
Aviation Maintenance - Engineering Specialization	Aviation Maintenance Operations, Engineering Sciences
Aviation Maintenance - Management Specialization	Aviation Maintenance Operations, Management
Aviation Safety	Aviation Safety
Business Analytics	Management
Business Cybersecurity	Cybersecurity Application and Management
Communication	Communication
Communication - Crisis, Risk, and Resilience Specialization	Communication; Crisis, Risk, and Resilience Communication
Crisis, Risk and Resilience Communication - Undergraduate Certificate	Crisis, Risk and Resilience Communication
Data Science	Applied Data Science, Applied Mathematics
Emergency Services	Emergency Services
Engineering	Engineering Sciences
Engineering Technology	Engineering Sciences
Homeland Security	Homeland Security
Human Factors Psychology	Human Factors
Leadership	Leadership
Logistics & Supply Chain Management	Logistics Management, Management
Mechanical Engineering	Engineering Sciences
Occupational Safety and Health - Undergraduate Certificate	Occupational Safety and Health
Pilot Operations	Aviation Safety
Project Management	Management, Project Management
Safety Management	Occupational Safety and Health
Software Engineering	Engineering Sciences
Technical Management - Aviation Management Major	Aviation Management, Management, Technical Management
Technical Management - Business Cybersecurity Major	Cybersecurity Application and Management, Management, Technical Management
Technical Management - Human Resources Management Major	Human Resources, Management, Technical Management
Technical Management - Leadership Major	Leadership, Management, Technical Management
Technical Management - Technical Management Major	Management, Technical Management
Uncrewed and Autonomous Systems	Uncrewed and Autonomous Systems
