

Minor in Spanish Studies

The Spanish Studies minor develops students' proficiency in the Spanish language while fostering an understanding of the cultures and communities where it is spoken. Through progressive study of grammar, composition and conversation, students build strong communication skills and cultural awareness. This minor complements any major by enhancing global competence and preparing students to engage effectively in diverse professional and international settings.

Some majors may not be eligible to pair with this minor. See the Minor Restrictions (<https://catalog.erau.edu/programs/undergraduate/minors/restrictions/>) list for details.
