

# Undergraduate Certificate in Emergency Management Leadership

---

The Certificate in Emergency Management Leadership provides students with an all-hazards foundation in emergency management across the national preparedness cycle.

The program covers all aspects of emergency management, including planning and prevention, disaster response, recovery and mitigation, with particular emphasis on the National Response Framework (NRF) and the Incident Command System (ICS).

Students also select one leadership-focused course, allowing them to align the certificate with their professional needs and career goals.

*Note: Certificate programs are not eligible for Title IV Federal Financial Aid unless taken as part of a degree program.*

*Some certificates may not be eligible to pair with a minor. See the Minor Restrictions (<https://catalog.erau.edu/programs/undergraduate/minors/restrictions/>) list for details.*
