

# Office of Professional Education

---

The Office of Professional Education (OPE) provides customized corporate training, as well as courses, seminars, and workshops designed for individuals and organizations in the aviation, aerospace, and related industries. All OPE courses impart current knowledge and information and present timely issues relevant to our industry on a wide variety of topics.

To access existing training programs, or to inquire about customized corporate training, contact OPE directly.

OPE training courses and programs offer certificates of completion and/or Continuing Education Units (CEUs). These courses will not count toward any academic degree or program.

Courses are scheduled to accommodate the needs of working professionals. The training may be full time, part time, one time, on-site, through online learning, or a blend of any of these delivery methods. On-site training is available globally.
